Mina,

We have some additional disclosures and trial exhibits. Mostly re-organizing some exhibits and adding prior labeled items, a few new search engine searches, and updated web statistics and financials.

Below are the list and attached exhibits. We may be adding more, and we'll certainly disclose to you as soon as we can.

Also, we are marking the following depositions exhibits, which we had not previously marked, as trial exhibits:  
Exs. 51, 101, 115, 183, 184, 186, 188, and 196-198.

Finally, what do you think about an agreement to exchange to each other a set of our trial exhibits that are not depo exhibits. So, for example, we'll give you a set of our 600 series exhibits and you give us your 300 (?) series. We have enough to worry about in putting together our own exhibits, and we shouldn't have to manually put together each others' exhibits too. I am contemplating an exchange by Thursday or Friday.

Let me know if you agree, thanks,  
Joe
